

I'm Enoch GAS Marutha from Sehlakone village, Ga-Modjadji, Tzaneen, Limpopo, South Africa, Africa...Africa is located on Planet Earth. I was born in 1998, on the 18th of May at around 8 in the evening (I'll ask my mom to confirm that). I am a Christian (JESUS' coheir, a child in the Kingdom and family of Heaven-GOD is My FATHER) Who's also a Music minister(Drummer) and an Aspirant "Managed". Amen...

My first attempt to "drums" was when I was still at crèche (in 2001-2002, when I was around 5). My dad bought me a toy drum set and then it obviously got wrecked out and I started creating kits for myself and practised on them. But until 2009 I was a bit inconsistent on drums because I was still trying to "find Myself " as a kid and finally I found out that I love Music more than a lot of things (My love for Music even led me to neglect things like sports, movies and other "useless" things like mathematics) and then I persisted in working on my craft even though at some points conditions weren't really conducive for me to do so but I pushed and I still push in spite of such conditions. Up to thus far the LORD has inspired and helped me to be a member of a band called corpeotecosderate... Loloud I'm joking, it's called Inspired Gospel Band of which I am one of the founders and hold a few other positions in the organisation. There are many other things that The LORD has made, is still making and will make me to be part of... I am a humble boy in whose heart the LORD has vested powerful Dreams that HE alone will bring to accomplishment. I Bless You and Everyone else. I Love You and everyone else... My point is that #LOVEisKING! (1 Corinthians 13: the last verse) I`m Ministering in Drum at BY THE GRACE MINISTRY
